ALSO A GOOD COMEDY
Admission 20c and 10c (Tax Included)

In Ellingham, a city of 4,000 population, more than \$100,000 was recently subscribed for a new hotel. On this same basis in Jacksonville, a city of 16,000, it should be possible to provide a fund of \$400,000. If known sentiment here for a hotel can be crystallized, the attainment of such a goal is not at all impossible.

Otto Kahn, well known banker in an address last night, advocated the sales tax as the best means for federal revenue. He referred to it as a painless tax. That word "painless" has no proper connection with the subject of taxation.

Records recently uncovered show that the highway designated as the hard road from Chicago to St. Louis was surveyed in 1832. So just about ninety years after the work was begun the end was attained. But the chances are it never occurred to those pioneer Illinoisans that some day this stretch of road 300 miles in length would be paved with concrete.

But come to think of it, the old Romans had paved highways thousands of years ago.
The proposal of a get together meeting of the farm bureau and other organizations is quite well worth while. The purpose is to create a greater sympathy between the city and the country in meeting the somewhat difficult business conditions of the present day. Such a gathering would also serve to impress how interdependent are the city and the country. The fact is that their interests are in common, and one prospers only when the other is in like condition.

The uncertainties of criminal prosecutions have been well illustrated in the Arbuckle trials in California. In the first case the jury stood 11 to 1 for acquittal and the second trial just concluded the final poll of the jurors was 10 to 2 in favor of conviction. Bear in mind the same evidence was submitted to the two juries and a casual reading of the reports of the second trial indicates that the prosecution was not pushing the case nearly as vigorously on this second trial. The jury system is a wonderful thing.

like sum apportioned by the Federal Government of Illinois. This \$250,000 is available for organizing and administering the work of discovering persons who are handicapped in some way or other and providing the training which will remove such handicap. These plans also provide for assisting such persons after their handicap is removed to find remunerative employment. The field is a new one and will require thorough study and some caution if mistakes are to be avoided. The work is placed under the Illinois Board for Vocational Education. The Superintendent of Public Instruction, as the executive officer of the board, is made responsible for carrying out the policies of the board. An Acting Supervisor with office assistants have been appointed. A number of field agents, who are to survey their respective fields and to act under the direction of the executive officer, have also been appointed. It is a most interesting field of labor and the results of the work will be studied with the greatest interest by all who believe that the State should actively assist every handicapped person in fitting himself for some employment that will make him economically self-sustaining.

DEVELOPMENT IN THE DEPARTMENT OF COMMERCE.
When Mr. Hoover became Secretary of Commerce, he found the Bureau of the Census behindhand in its methods. Its work was of very little immediate service, except in retrospect, to the business public. Its analysis of conditions in some of our major industries were made at only four-year or five-year intervals. The results it got it presented not in commodity figures, which are essential when exchange conditions are afoot, but usually in terms of the dollar. Moreover, its figures were published every two years after gathering. But now, such figures gathered by it as are of moment to the business public are presented in terms of commodities as well as in terms of the dollar and are published, in the main, ten days after gathering. "And this monthly service," the Secretary has added, "is only one phase of the statistical set-up that we are developing in connection with the Census."—Donald Wilhelm in the February World's Work.

FORMER RESIDENT OF WINCHESTER DIES

Mrs. Anna McCarthy Passed Away in Alton at Home of Daughter—Other Winchester News.
WINCHESTER, Feb. 3.—The death of Mrs. Anna McCarthy, widow of the late Callahan McCarthy, came at 5:30 o'clock Thursday afternoon at the home of her daughter, Mrs. H. M. Welmer, in Alton. Mrs. McCarthy was a resident of Winchester for over 50 years and was well known and highly respected in the community which was for so long her home. She led an active life until just a few years ago, when advancing years brought infirmities. Several weeks ago Mrs. McCarthy suffered a paralytic stroke and had since been in a serious condition.

The deceased is survived by the following children: Mrs. Welmer of Alton, Mrs. Michael McCartney of Manchester, Mrs. George Metzger, Winchester, J. S. McCarthy, Chicago. Her husband passed away about eight years ago.
The remains were brought to Winchester on the 11 o'clock train Friday morning and were taken to the home of the daughter Mrs. George Metzger. The funeral will be held at St. Mark's Catholic church at 10 o'clock Sunday morning, in charge of Rev. Father Michael O'Mullane.

Funeral services for Abram Wright will be held at the Methodist church at 2 o'clock Saturday afternoon. Rev. Carl Corrier will officiate.
Services were held in the M. E. church Friday evening and Dr. Violette delivered a fine sermon from the theme, "A Charmed Life." The audience was the largest of the series of meetings and a great deal of interest was manifested. There will be services Saturday evening and Sunday evening, but none Sunday afternoon.
Mr. and Mrs. Monte Funk, Miss Eiler and Mrs. Fox of Chapin, motored to Winchester Friday evening to attend the union services.

Miss Loutishy Scupham was able to return to her home the first of the week from Passavant hospital in Jacksonville, where she has been a patient for the past seven weeks.
Miss Bertha Rutschke of White Hall was a visitor in Winchester Friday.
Mrs. T. D. Smith entertained a number of little folks at her home on North Main street Thursday afternoon from 4 to 6 o'clock. The affair was in honor of the fifth birthday of Mrs. Smith's little daughter Betty. The little ones had a nice time with games and delicious refreshments were served. The little hostess received a large number of very nice gifts.

BENEFIT PROGRAM AT MURRAYVILLE

Entertainment Given Friday Night in Interest of M. E. Sunday School Class and Wyatt's Orchestra.
A large audience was present at Carleton hall Friday evening for the program arranged for the benefit of the Opportunity Sunday school class of the M. E. church and of Wyatt's orchestra. The two organizations are to share equally in the proceeds of the evening's entertainment and will each receive a tidy sum. Candy and other articles were on sale during the evening and the patronage of these booths was liberal. The program was arranged by a committee including Mrs. Amelia Smith, Mrs. Ethel Stricker and Miss Stella Cunningham, and was one of the best given in Murrayville in recent months.

The program was as follows:
Two opening numbers by the orchestra, "American Legion March" and "Iron Count Overture."
Ladies' chorus—"Estudiantina" and "Indian Cradle Song."
Reading, "A Typical Experience" by Miss Lucile Jones.
Vocal Solos, "I Know a Lovely Garden" and "Top of the Morning" by Fred Masters.
Vocal Duet by Lawrence Barclay and Mrs. Austin King.
Numbers, "Scherzo," "Someone Else" and "Desdemona Waltzes."
Short Play, "Turning the Tables," Dorothy, May and Veda Blakeman, Clara Millard, Noralyn Sooy, Ruth Miller, Mary Clark, Mrs. Cecil Simpkins and Mrs. Ethel Stringer.
Vocal Solo, Laverne Barclay.
Orchestra Number, "Fraternity Overture."

MRS. A. E. GOLTRA PASSED AWAY IN SOUTH

Death of Long Time Resident Came Thursday Night at Fort Myers, Fla.—Interment to be Made Here.

Word was received here Friday of the death of Mrs. A. Eunice Goltra, widow of the late John W. Goltra, at Fort Myers, Fla., death coming at a late hour Thursday night. The deceased had been spending the winter months in Florida with her daughter, Miss Mabel H. Goltra, and her sister, Mrs. L. C. Coleman.

The remains will be brought to this city for burial and will probably arrive some time Monday. Funeral arrangements will be announced later.
Mrs. Goltra, who was eighty years of age, has been in failing health for a number of months, but her condition had not been accounted serious and the news of her death comes as a shock to her local friends. The deceased had been a resident of this city for many years and was one of the most prominent of the older citizens. For several years the home had been maintained on Mound avenue, although the winters were spent in the south.

The deceased was born in Providence, R. I., but in early womanhood she came to this city and has since made her home here. She was married in early life to a Mr. Butts and following his death was united in marriage to John A. Goltra, for years a leading merchant of this city, and whose death occurred a number of years since.

Mrs. Goltra was a member of the Baptist church in this city, and during all the years was a leader in various lines of church activity. The pipe organ which is now in use at First Baptist church was made possible through her generosity. Mrs. Goltra was devoted to her home and family but also had a deep interest in the welfare of her friends and the community as a whole.

Surviving are one daughter, Miss Mabel H. Goltra, one sister, Mrs. Isaac C. Coleman and one brother, Stephen A. Atkins of Missouri. H. A. Coleman of Palmyra is a nephew of the deceased.

A CLEAR COMPLEXION
Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, hollow looking eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep them fit. 15c and 30c.

PAINS SO BAD WOULD GO TO BED

Two Women Tell How Lydia E. Pinkham's Vegetable Compound Stopped Their Suffering

Iron Mountain, Mich.—"I had terrible pains every month and at times had to go to bed or account of them. I saw your advertisement and took Lydia E. Pinkham's Vegetable Compound with very good results. I can work all day long now and my sick time is over. You may use these facts as a testimonial and I am recommending the Vegetable Compound to my friends."—Mrs. A. H. GARLAND, 218 E. Brown St., Iron Mountain, Michigan.

Xenia, Ohio.—"Every month I had such pains in my back and lower part of my abdomen that I could not lie quietly in bed. I suffered for about five years that way and I was not regular either. I read an advertisement of what Lydia E. Pinkham's Vegetable Compound had done for other women, so I decided to try it. It has helped me a lot, as I have no pains now and am regular and feeling fine."—Mrs. MARY DALE, Route 7, Xenia, Ohio.

If you suffer as did Mrs. Garland or Mrs. Dale, you should give this well-known medicine a thorough trial.

operation for the removal of tonsils yesterday at Passavant hospital.

RADIUM AND X RAY THEME OF ADDRESS

Dr. H. C. Chapin Told Rotarians Some of the Mysteries of These Things—Athletic Committee Named.

The address at the Friday luncheon of the Rotary club at the Pacific hotel was by Dr. H. C. Chapin, a member of the club, who had radiating and the X-ray as his theme. Because of a somewhat crowded business program the time usually allotted to a speaker was somewhat curtailed. However, Dr. Chapin presented a very informing summary of a big subject. Interest in his address was heightened by moving pictures, Rev. M. L. Pontius serving as the emcee.

The guests of the day were, E. K. Wickman, representing the Illinois Institute for Juvenile Research; F. E. Johnson of Chicago; Robert Galbraith of Pine Bluff, and Rev. George E. Stickeney of Jacksonville.

At the state meeting last year and at various times since there have been suggestions of the possibility of the candidacy of Rev. M. L. Pontius as district governor.

Yesterday a committee was appointed including E. E. Crabtree, H. M. Capps and Dr. A. H. Dollear, to confer with Mr. Pontius and it is possible that his name will be presented at the district meeting to be held at Decatur in March.

The address made by Dr. Chapin, minister at Peoria convention last year, was one of the features of the program and his name then was connected with the district governorship.

To Organize Volley Ball Team.
Acting on the suggestion of Rev. W. H. Marbach, Rotarians appointed an athletic committee, including Dr. H. C. Chapin, W. T. Harmon and J. C. Meeker. The primary purpose is to organize a volleyball team and accept the challenge issued by the ministerial association.

The program committee put over a stunt in which the Rotarians took lively interest. An assumed attempt by quick parliamentary action was made to set aside the regulations now in force and by action of the club choose a president. Dr. Carl E. Black was nominated in this way but the club eventually decided not to permit his usurpation of the rights of Vincent R. Riley as president.

In his address Dr. Chapin gave an interesting account of the discovery of the X-ray, tracing the story of the development of the machine down to the present day.

He also gave some facts and figures with reference to the electron, which is a particle of matter smaller than the atom. The atom until the discovery of radio active elements was considered to be the ultimate part of matter, beyond which matter could not be subdivided. But it is now known that atoms are composed of still smaller particles, called electrons. Electricity is produced when electrons are set in motion.

Discovery of Radium.
The story of the discovery of radio active substance was also told. It was in 1896 that this wonderful discovery was made by Prof. Becquerel in Uranium but it remained for Marie Curie to discover and separate radium. All the radium in the world would not fill an ordinary telephone receiver. Most of it is produced from carnallite ore found in Colorado and Utah.

What it requires to produce one gram of radium was also told and the figures are given below: 250,000 tons of mining ore, 500 tons milling ore, 500 tons chemicals, 1,000 tons coal, 10,000 tons distilled water, 200 mine men and 150 chemical laboratory men. It requires six months time to complete the process of extracting the radium.

Dr. Chapin also described briefly what has been accomplished in the treatment of disease by the use of radium. Cancer and tumor cells are destroyed after the blood supply has been cut off by treatments, then the destroyed tissues are removed from the body by the circulating media. In many cases the combined treatment by X-ray and radium is most effective.

Ask to see the new "Spirallex" tie at TOMLINSON'S.

THE LESTER REED SALE.
Attention is called to the display advertisement of Lester Reed's hog sale which appears elsewhere in this paper. Mr. Reed has announced the sale for next Wednesday, Feb. 8. It can be assumed that buyers for pure bred Duroc Jersey hogs will be in attendance from a wide area, for Mr. Reed's fame as a breeder of pure bred stock is by no means limited to his home county.

The sale offerings include 55 sows and gilts and the sale is certain to attract a great deal of attention among stockmen and farmers who appreciate livestock quality.

IT WILL TAKE SOME CARD FOR THIS NAME.

NEW YORK, Feb. 3.—Mrs. Marian Buckingham Ream Stephens, 45, Chicago heiress and Anastasia Andrevitch Vonsatsky Vonsatsky, 23 year old Russian workman of Philadelphia were married at 8 o'clock tonight in the Russian Cathedral of St. Nicholas. The wedding had been publicly announced for 4 o'clock tomorrow afternoon.

Miss Maude Schrad of Virginia is here for a few days' visit at the home of Mrs. Edwin Hills.

James Merwin has returned to his home in Decatur after a few days' visit with his sister, Mrs. Doolin on North Church street. Mrs. Merwin will remain a few days longer.

Miss Walter Ramt is visiting her mother, Mrs. John Merriman, who is not ill.

PROMINENT RESIDENT OF VIRGINIA BURIED

Funeral of the Late William C. Bowman Held at M. E. Church—Other Virginia Items.

VIRGINIA, Feb. 3.—Funeral services for the late William C. Bowman were held at 2:30 o'clock Wednesday afternoon at the M. E. church, in charge of the pastor, Rev. D. V. Gowdy. Music was furnished by Mrs. Nella King, Mrs. Florence Yaple, Misses Lee Savage and Louise Angier. Burial was in Walnut Ridge cemetery.

Mr. Bowman passed away Jan. 30th at the family home on North Front street after an illness of 4 years' duration, due to paralysis. Three years of this time the deceased was entirely helpless and unable to speak.

Mr. Bowman was born in Catawba County, North Carolina, January 14th, 1849. He was a member of a family of 12 children four of whom survive.

As a young man he located in Cass county, where in October, 1872, he was married to Miss Melinda Hayes, who died 3 years later. In 1879 he was united in marriage to Miss Emma Boatman who with the following children survive: Mrs. Edw. Millner, of Peoria, Mrs. H. F. Joskish of this city, William Lee of Rock Island and Harry J. of Chicago.

For the past 30 years Mr. Bowman has been a member of the M. E. church in this city.

Mrs. Frank Virgil was hostess to her Sunday school class Tuesday afternoon, the full membership being present. Mr. and Mrs. Virgil have spent the season in this city and will remove at an early date to their farm east of town.

Miss Bernice Treadway was a shopper in Jacksonville Thursday.

Mrs. Nettie Virgil who with her family has spent the past year in this city is removing to her farm southeast of town.

Miss Viola Ward (R. N.) who has spent the past several weeks at the home of Mr. and Mrs. Russell Knight departed for her home in Rushville. Mrs. Knight, who is just recovering from a serious illness will spend a few weeks at the home of her parents Mr. and Mrs. E. E. Murry near Liberty while recuperating.

J. W. Decker is improving the interior of his cafe. A new Italian Marble Soda Fountain has been installed.

Harold Bailey formerly of Rosiclair, Illinois, has accepted a position with the Bell Telephone Company at Springfield, starting on his new duties this week. His wife, who is visiting in this city will join him later.

Mr. and Mrs. Roy Conover are contemplating moving to their farm in the near future. W. R. Dickson, farm advisor, will occupy the residence vacated by the Conovers.

Mrs. Elizabeth Hamilton and sister, Mrs. Mary Rose have returned from St. Louis where they attended the funeral of a relative.

Mr. and Mrs. Edward Millner and children of Peoria are in this city, called by the illness and death of the late W. C. Bowman.

Mrs. Walter Ramt is visiting her mother, Mrs. John Merriman, who is not ill.

MISS NELLIE COLLINS

"I have been thankful a thousand times that I took Tanlac when I did. It is simply wonderful the way it has benefited me," said Miss Nellie Collins, 1330 Connecticut Ave., Bridgeport, Conn.

"About eighteen months ago my appetite began to fail and I seemed to be going into a decline. Nothing agreed with me and my nerves were keyed up to such a high pitch I was actually afraid they would snap in two."

"But Tanlac has brought about a wonderful change in my condition. My appetite is almost ravenous, my digestion is perfect and I feel as well as I ever did in my life. I never dreamed there was as grand a medicine as Tanlac in the world."

NOTE—The International Proprietaries Co., distributors of Tanlac, have on file in their offices at Atlanta, Georgia, over fifty thousand signed statements from representative men and women from every State in the Union and every Province in Canada. Many of these are from prominent people in this city and section and have been previously published in this paper.

Tanlac is sold in Jacksonville by Coover Drug Co., and by J. F. Shreve, an able leading druggist in every town.—Adv.

MOHARDT SAYS HE PLAYED PRO FOOTBALL

Played With Racine Against Green
Bay Packers—Green Bay Makes
Denial—Question Iowa Players

SOUTH BEND, Ind., Feb. 3.—Johnny Mohardt, Notre Dame University's all-American half-back who is sought by several major league baseball teams, today admitted to university officials that he had played in a professional football game.

Mohardt was the twenty-second middlewestern athlete to admit such a violation of college rules during the past few months. Mohardt confessed playing with the Racine, Wisconsin, American Legion Team against the Green Bay, Wisconsin, Packers at Milwaukee, December 4, 1921. Three Notre Dame players—H. Anderson, Garvey and Larson—previously had been barred from collegiate competition for playing in this contest and the packers were ousted from the American football association for using college men. Mohardt is just completing his college course and consequently the university officials feel they cannot do it without being useless to injure the same punishment upon him as upon the others—disqualification from athletics. It was thought tonight that the matter might simply be dropped.

Mohardt said tonight that he had definitely decided to enter major league baseball but had not decided what team he will join. After the baseball season next fall, he said, he expected to enter the University of Pennsylvania Medical College, but he will not be eligible to play football with Pennsylvania, as he has already had three years of college competition.

Issues Denial.
GREEN BAY, Wis., Feb. 3.—A statement issued today by G. W. Calhoun, former publicity man for the packer professional team said:

"Officials of the Green Bay Packers state positively that Johnny Mohardt never played with the local pro eleven. It is a well known fact among football fans who attended the Racine packer game in Milwaukee December 4, that Mohardt played with Racine."

"A Racine paper ran a cut of Mohardt with a story about him being an ace in the hole for the Racine team."

Believe in Devine.
IOWA CITY, Iowa, Feb. 3.—University of Iowa Athletic authorities declared today that there were no new developments tending to show that Aubrey Devine, captain of last year's Western Conference championship football team or Gordon Lock, captain-elect are guilty of engaging in

professional or semi-professional athletics.

Announcement was made that Lock wrote to University authorities last summer for permission to play baseball at Kanawha, Iowa. He was informed, according to today's announcement that he could do so if he conformed to the rules. Lock stated today that he knew the rules regarding professionalism for playing and absolutely conformed with these regulations in his activities at Kanawha and elsewhere.

"I was working in Kanawha, and my sole purpose in playing baseball was to keep in training for football," he said, declaring that he never received a cent for his services.

Coach Howard Jones said, "there is absolutely no question that Devine has never participated in a professional contest of any sort or violated any conference rules and from the statements of Lock and Oscar E. Johnson, president of the Kanawha baseball association, I am convinced that Lock is also absolutely innocent."

**JACKSONVILLE WON
FROM RUSHVILLE**

Defeated Visitors By Score of 38
to 18—Locals Except Goebel
Were Off Form.

While badly off form with the exception of Goebel, Coach Mitchell's undefeated high school basketball team won from Rushville high in David Prince gymnasium Friday evening by a score of 38 to 18.

During the first half Rushville held Jacksonville to a close score, the count being Jacksonville, 12, Rushville, 8, at the half way mark. Hunter and Putnam usually reliable shots, could not find the hoop with any degree of accuracy.

Jacksonville started the game handicapped by the loss of Hunt at guard who has been laid up with a cold all week. His absence seemed to slow up the team. Backett started in his stead but Coach Mitchell soon switched to Pouston.

When he did this Mitch discovered that he had a real guard. Houston did excellent work and the longer he went the better he got. He played the floor well and did some good passing and guarding.

Toward the last of the game Mitchell had an entire new team. These men also gave a good account of themselves and Harrison the small in size proved to be a greased lightning on the floor and shot a basket after he had been in the fray only about a minute. Lewis also broke into the scoring.

As we said before Goebel played a beautiful game. He was all over the floor and several of his shots were long ones from difficult angles.

The Rushville team played a clean game. In fact, it was too clean. The men did not make a foul during the evening. This was the reason (very many times) failed to get the ball when a little aggressiveness would have been better even if an occasional foul was called. The locals journey to Waverly for a return game this evening. The score:

JACKSONVILLE	F. G.	F. T.	Ts.
Goebel, f.	8	0	16
Devine, f.	1	0	2
Hunter, f.	6	0	12

ROUTT HIGH LOST TO NEW BERLIN

Local Tossers Defeated in Fast
Game 24 to 22—Geibert and
Cooney Star for Routt.

Routt high lost a hard fought game to New Berlin high at New Berlin Friday night by a score of 24 to 22.

The local team was handicapped by the loss of Capt. Mandeville who was unable to play on account of a severe cold. However the men gave all they had and it took good work on the part of New Berlin to win the victory.

Geibert and Cooney were the stars for Routt. These players made twenty of the points scored by Routt.

Kumle, Anders and Reichart were the best men on offense for New Berlin.

**MITCHELL GETTING READY
FOR CAMPAIGN**

MILWAUKEE, Wis.—(By the A. P.)—Ritchie Mitchell, the Milwaukee lightweight, who suffered a broken arm in his match with Ernie Rice, the English 135 pounder, here last fall, today is preparing for another campaign in the ring, which he hopes will result in another championship encounter with Bonnie Leonard.

Mitchell has started to rid himself of excess weight. During the period of idleness he took on the physical proportions of a middleweight, but expects to be close to the 140 pound notch within a month. Several matches for him already are pending.

Pinky Mitchell, brother of Ritchie, also is rounding into fighting condition. Pinky was forced to cancel his match with Leonard here January 2 at the last minute due to an attack of bursts in the left arm. He expects to be in shape for a match early in February. The local promoters will attempt to induce Leonard to meet him.

**BLUFFS TEAM WINS
FROM MURRAYVILLE**

Basketball Game Friday Night Resulted in Final Score of 39 to 21 in Favor of Bluffs.

Bluffs, Feb. 3.—In a game of basketball played last night the Bluffs high school team defeated the Murrayville high team by a score of 39 to 21. The visitors put up a good stiff fight but were totally unable to cope with their opponent. Hylor scored the most points for Bluffs and Zell also made a fine showing. Wright was the star player for the visitors. Lackland of Bluffs was the referee. The score:

KNOX ALREADY HAS STATE MEET WON

Begins to Crow Over What Track
Team Will do at Monmouth—
There's Many a Slip, Etc.

GALESBURG, Ill., Feb. 3.—Little serious opposition in the track and field is anticipated by Knox college, whose athletes are already being groomed by Coach Sam Barry for 1922 state honors.

Eight meets have already been scheduled for the college track and field men, who expect therein to encounter some of the best competition in the middle west. Their first meet will be the Illinois Relay Carnival at Urbana, March 3. The others will be:

April 22—Hedding at Knox.
April 29—Triangular meet at Monmouth.

May 6—One at Knox.
May 13—Beloit at Beloit.

May 26—Mid-West meet at Carleton.

May 29 and 30—State meet at Monmouth.

June 10—National meet at Chicago.

Only two men of the Knox college team which played last year's state meet have left school, and Sward and Barry are here to carry the relay. Barry is a freshman from Beloit, Ill., who, it is said, can also clear the bar at 12 feet. This ability last year won first place for him in that event in the Illinois interscholastic meet, and placed him first in Chicago.

The relay team which won at the Decatur meet last year is intact. It is composed of the Rhoad brothers, and Adams, Latta and Tapp. They are all exceptional in the quarter mile. Rhoad and Eric Rhoad, last year's half miler, will anchor the relay again, and for distance runs Fulton and Ewing, and for hurdling Hunter and Johnson will enter the lists. King, a last year's star hurdler for De Pauw will likely perform in the capacity this year for Knox, and Sward is depended upon for an excellent showing at the broad jump.

Knox college, Coach Barry said, is sure of at least placing in every field event.

ILLINOI BASEBALL TEAM TO GO SOUTH

Complete Arrangements for Fifteen Day Trip—Many Old Men Back Again.

URBANA, Ill., Feb. 3.—With arrangements for the annual fifteen day southern trip in April for the University of Illinois baseball team complete, practice for the Illini pitching staff is under way and other team assistants will do their uniforms for practice in the Armory before February 1.

The team, which won many honors last season, was backed by an excellent pitching staff of Jackson, Barnes, McCann and Barker. These four men will return again this year but they will have strong competition from Walker Roettger, who worked in the box last spring on the freshman varsity nine. He proved to be one of the best first year

pitchers Illinois has had in many days.

Captain McCurdy, Illini first baseman for two years, is expected to have another strong team this season. Swede Holstrom will be at second, Duran at short, Swewart at third, Doc Dougherty behind the bat, and Crangle, Pedan and Begel in the field. Besides these regulars there are many from the freshman squad who may prove better material than those who led to be the first team regulars at the present time.

The southern trip will include eight games. The dates in the schedule follow:

April 8, University of Mississippi; April 10-11, Mississippi A. & M.; April 12-13 University of Alabama; April 14-15 Mississippi College and April 17 University of Mississippi.

CONVICT ACTRESS WITH MURDER
LOS ANGELES, Feb. 3.—A motion picture actress whose name has not been publicly mentioned so far in connection with the slaying Wednesday night of William D. Taylor, film director, was the center late tonight of the investigation of detectives detailed to the case.

For almost four hours the detectives questioned employees of Taylor in order to check details on their new theory of crime which they believe was inspired by a "revenge motive, with jealousy as the probable direct cause."

BRADSTREET'S REPORT WILL SAY

By Associated Press.

NEW YORK, Feb. 3.—Bradstreet's tomorrow will say: "Improvement in regular distributive trade is slow, in some lines and sections disappointingly so, but conditions at large, while very spotted, there are more elements of cheer in them than was visible a week ago. Conservatism and caution characterize wholesale and jobbing trade. Distributive markets seem to be passing through one of those periods of reaction which are frequently with when trade and industry are recovering from depression. Therefore, the varying degrees of activity visible in various lines entitle the situation as a whole to the description of spotty. Buying for the nearby positions is generally confined to careful replenishing of depleted stocks, with best reports generally coming from cities and the poorest from agricultural regions."

Weekly bank clearings \$6,619,153,600.

LOST—Thursday morning, one pair Hearse Chains between Jacksonville and Alexander by way of state road. Reward return to Gillham Undertaker. 2-3-1f

PRICE OF WHEAT HITS HIGH LEVELS

By Associated Press.

CHICAGO, Feb. 3.—Surprise over a brisk new advance in wheat prices at Buenos Aires today carried the wheat market here up well beyond all recent high levels. The clearing was strong at 12 to 25c net gain with May \$1.25 1/2 to \$1.25 3/4 and July \$1.09 1/4 to \$1.09 3/4. Other staples too all finished higher—corn up 1/4 to 1/2c, oats 1/4 to 1/2c, and provisions 1/2 to 3/4c. What made the latest soaring of Argentine prices the Chicago wheat trade was the fact that in the last two weeks the Argentine figures have risen more than Liverpool, notwithstanding that the English market has outdistanced the Argentine market in the United States, so that wheat in this country is again on a world competitive basis. Argentine prices brought about a general rush here to buy, although many dealers had taken the view that advances had been too rapid and that a reaction was due. Scarcities of domestic receipts from the northwest, with draught reports from the southeast, close from Europe as well as attracted renewed attention during the last part of the day and setbacks in prices turned out to be of little importance notwithstanding that sales to realize profits were of large volume.

Enhancement of the value of corn and oats resulted partly from the action of the wheat market and partly from reports showing that stocks of oats in all positions are much less than was the case a year ago. Record-breaking big primary receipts of corn this week were the first in the last two weeks. The provisions market went higher in line with grain and hogs.

Chicago Livestock Market

By Associated Press.

Chicago, Feb. 3.—Cattle—Receipts 1,000. Market active. Beef steers mostly steady to strong; spots higher; top \$9.50 for 1,018 pound yearlings, top heaves \$8.50 for 1,018 pound yearlings, top hogs \$7.50; she stock ready to strong; bulks slow and ready; calves steady to 25c lower; stockers and feeders steady.

Hogs—Receipts 24,000. Fairly active light and medium 10 to 20c lower; others steady to strong with Thursday's average; close higher weights strong; others steady; shippers bought about 12,000; holdover moderately liberal mostly lower; top \$9.50; bulk \$8.50 to \$9.25; pigs 10 to 25c higher; bulk desirable \$9.25; some up to \$9.50.

Sheep—Receipts 6,000. Generally steady. One deck fat lambs to city butchers \$14.10; one deck to packers \$14; bulk of offerings plain; quality \$13 to \$13.50; few strong weights weathers \$8; few light ewes \$7.50; bulk heavy and medium weight \$7.50 to \$8.75; feeder lambs \$12.50 to \$12.60.

NOTICE TO TAXPAYERS

The tax books are now in the collector's office and taxes extended stand as judgments against all parties mentioned therein.

Persons paying on personal property only should pay the tax promptly and avoid trouble and expense in collection. The judgment reads as follows: "In case any person named in said books shall neglect or refuse to pay their personal tax, they shall levy the same by distress and sale of goods and chattels of such persons." Parties paying on real estate should bring their old tax receipts to save time and avoid mistakes. If paying thru the banks, leave your old receipts with your bank as soon as possible.

W. H. WEATHERFORD
Sheriff and Ex-Officio Collector

By Associated Press.

Kansas City, Feb. 3.—Cash: Wheat—No. 2 and \$1.26 1/2; No. 2 red \$1.19 to \$1.21; Corn—No. 2 white 45 to 45 1/2; No. 2 yellow 45 1/2; Oats—No. 2 white 37 to 37 1/2; No. 2 mixed 35 1/2 to 36 1/2.

ST. LOUIS GRAIN MARKET

By Associated Press.

St. Louis, Feb. 3.—Wheat—No. 2 red \$1.32 to \$1.34; No. 2 white 50 to 50 1/2; No. 4 48 1/2; Oats—No. 2 white 35c; No. 3 35 1/2 to 36c.

CASH GRAIN REPORT

By Associated Press.

CHICAGO, Feb. 3.—Wheat in the cash market closed today 1 to 2 cents better than the close yesterday. Domestic shipping sales were only 3,000 bushels. Premiums and discounts were unchanged except for No. 4 red which was a little easier. Kansas City wheat is 10c under Chicago and a shipping difference is 11c. Corn finished 1/4 to 1/2c better with the trading basis unchanged. Shipping sales were 31,000 bushels. Country offerings to arrive were light and firmly held.

Oats closed unchanged as compared with previous closing prices. Domestic shipping sales were 81,000 bushels. Car lot receipts: Wheat, 20; Corn, 65; Oats, 122.

INCOME TAX FACTS

The revenue act of 1921 contains two new and important provisions with respect to deductions for bad debts.

Debits ascertained to be worthless and charged off during the year 1921 may be deducted, and when satisfied that a debt is recoverable only in part, the Commissioner of Internal Revenue may be allowed such debt to be charged off in part.

Where a taxpayer, as a matter of established business practice, sets up annually a reserve for bad debts, based upon experience, reasonable additions to such reserve during the year, within the discretion of the commissioner, may be deducted. In such case, debts written off on the books of the taxpayer must be charged against the reserve, and must be claimed as a deduction from gross income. Before deducting a debt in part a taxpayer must be able to show with a reasonable degree of certainty the amount uncollectable. In determining whether a debt is worthless in whole or in part, the commissioner will consider pertinent evidence, such as the value of the collateral, if any, and the financial condition of the debtor. Partial deductions will be allowed with respect to specific debts only.

Reserve Accounts.

Taxpayers, who prior to 1921, have maintained reserve accounts for bad debts may deduct a reasonable addition to such reserves during the last year in lieu of a deduction for specific bad debt items. Those who have not heretofore maintained such reserve accounts may now do so. In such case they may determine the amount that reasonably should have been set up at December 31, 1920 (which sum shall not be deducted in computing net income), and for 1921 and subsequent years, may add a reasonable addition to such reserve, and deduct the amount in computing the income. What constitutes such "reasonable addition" must be determined in the light of facts, and will vary as between classes of business, and with conditions of business prosperity. Specific items of bad debts ascertained to be worthless should be charged against the reserve fund, and not deducted from gross income.

A taxpayer using the reserve method should include in his return a statement showing the volume of his charge sales (or other business transactions) for the year, the percentage of service to such amounts, the total amount of notes and accounts receivable at the beginning and end of the taxable year, and the amount of debts ascertained to be worthless or partially worthless, and charged off against the reserve account during the taxable year.

To be allowed claims for deductions of bad debts must have certain qualities. The debt, or that portion which is not recoverable, must have been determined to be worthless and charged off within the taxable year. The return must contain evidence that the ordinary means of collection have been exhausted and that legal action would in all probability not result in collection of the debt.

Unpaid loans made to needy relatives with little or no expectation of their return, are not deductible, but are regarded as gifts. Where the creditor continues to extend credit to a debtor, a debt may not be charged off as worthless, if a debt is forgiven it cannot be claimed as a deduction, because it is then regarded as a gift, which is not an allowable deduction.

A valid debt proved to be worthless is not always a proper deduction. For example unpaid amounts representing wages, salaries, rents or similar items of taxable income are not allowed as deductions unless included as income in the creditor's return for the year in which the deduction is sought, or previous years. The fact that expected income was not received does not reduce the amount of taxable income.

Liberty Bond Market

By Associated Press.

New York, Feb. 3.—Liberty bonds closed: 3s \$95.40; First 4s \$96.30; Second 4s \$96.30; Third 4s \$96.30; Fourth 4s \$96.30; Victory 4s \$100.24; Victory 4s \$100.24.

CHICAGO & ALTON

By Associated Press.

Chicago, Feb. 3.—Hogs—Receipts 4,000; 15@25c higher; top \$5.75; Cattle—Receipts 500; steady to strong.

JUDGE JONES WILL NOT BE HERE NEXT WEEK

Because of illness of Judge Norman L. Jones Pires case in Circuit Court will not be tried until Feb. 20—Judge Smith coming Monday.

Judge E. S. Smith will come to Jacksonville Monday to adjourn the November term of the circuit court and to open the February term. This, however, is merely a formal matter, arranged because Judge Norman L. Jones is ill and will not be able to come Monday to preside at the Pires case.

State's Attorney Robinson received notice to this effect yesterday.

PRINCIPAL SHAVER ATTENDS SCHOOL MEET

Mr. B. F. Shafer, principal of the high school left yesterday to attend the meeting of principals of eight high school principals, relative to forming a Central Illinois High School Conference. This conference will include the largest and best schools in the state and there is every reason to believe that it will soon become a fact.

Miss Lou Duncan was among the city shoppers from Franklin yesterday.

SPECIAL SHARES DOMINATE MARKET

By Associated Press.

NEW YORK, Feb. 3.—Freer offerings of call and time money, signs of improved business conditions and other high recovery for British exchange were potent factors in the further advance of prices on the stock exchange today.

Special shares continued to dominate the market, which again derived most of its impetus from the activities of pools. Short covering was most urgent in the oils, motors, junior steels and low price rails. These came of two to almost seven points, suffered one to two point reactions in the profit taking of the later dealings. Rails held the greater part of advance with standard industrials. Sales amounted to \$35,000 shares. The 51 per cent offering and renewal rate for domestic loans proved to be only nominal. Money was liberally offered at 5 per cent during the mid-session and 4 1/2 per cent was the prevailing rate at the close.

Private offerings of 4 1/2 per cent for 30 to 90 day loans, as for the better showing of the British trade balance there were no developments to exchange.

Other allied exchanges did not move forward with the British rate and German marks also held back. All other active continental bids were higher by five to thirteen points. The Swiss rate selling 23 points above parity at 19.55. Liberty bonds eased after early firmness.

Total sales (par value) aggregated \$11,875,000.

East St. Louis Livestock

By Associated Press.

East St. Louis, Feb. 3.—(U. S. Bureau of Markets.)—Cattle—Receipts 700; generally steady; quality plain; bulk of receipts \$10.50 to \$11; top \$11.50. Hogs—Receipts 10,600; fairly active; lighter weights strong to higher; others slow about steady; top \$9.50 paid for 170 pounds and down weights; few 200 to 210 pound averages \$9.20 to \$9.25; packer sows steady; mostly \$7.50; pigs unevenly steady to 25c higher; bulk \$8.25 to \$9.25; quality medium to good.

Sheep—Receipts 400; nominal; steady; receipts insufficient to test market.

Kansas City Livestock

By Associated Press.

Kansas City, Feb. 3.—Cattle—Receipts 1,100; all classes around steady; quality plain; best steers on sale \$7; few cows \$4.50 to \$5; plainer kinds \$3.75 to \$4.40; good heifers \$6.20; canners mostly \$2.50; good vealers \$9 to \$9.50; common Texas heavy calves \$4.25. Good light feeders \$6.50.

Hogs—Receipts 2,000; opened steady on lighter weights; top 200 pounds \$8.90 to \$9; few at \$9.10, closing weights; kinds mostly to packers 10 to 15c lower than yesterday's average, best 200 to 220 pound weights \$8.55 to \$8.85; bulk of sales \$8.
